AN ACT /..; relating to: requiring operation of the Wisconsin Healthcare Stability

Plan in accordance with federal approval.

Analysis by the Legislative Reference Bureau

This bill requires the commissioner of insurance to administer the Wisconsin Healthcare Stability Plan (WIHSP) in accordance with the specific terms and conditions approved by the federal Department of Health and Human Services dated July 29, 2018. 2017 Wisconsin Act 138 required the commissioner to administer a state-based reinsurance program known as WIHSD, and allowed the commissioner to request a waiver under federal law to implement the plan. Under current law, WIHSP make a reinsurance payment to a health insurance carrier if the claims for an individual who is enrolled in a health benefit plan with that carrier exceed a threshold amend in a benefit year. The federal DHHS approved the commissioner's waiver request under specific terms and conditions dated July 29, 2018. The bill requires the commissioner to administer WIHSP in accordance with those specific terms and conditions. The bill prohibits the commissioner from requesting modification, suspension, withdrawal, or termination of the waiver unless legislation has been enacted directing the modification, suspension, withdrawal, or termination. The bill requires the commissioner to complete and submit any reports, provide any information, and participate in any oversight activities required by the federal DHHS to implement and maintain WIHSP. The bill sets the payment parameters for WIHSP as specified by the federal approval for the 2019 benefit year

Can you add the attached language to the 1332 waiver draft language? The goal of it is to do the following:

If you are moving forward with the reinsurance amendment you may want to include this language allowing the emergency rule to stay in place for a longer period of time. This will ensure our emergency rule remains in effect until a subsequent emergency rule or permanent rule is adopted. This will avoid the timing issues of having an emergency rule expire without a permanent rule established.

1 **SECTION 1**: 601.83 (1) (g) of the statute is amended to read:
